

The **flowers** placed in the sanctuary today are to the glory of God and in honor of Laura Sapp's birthday. They are given by her children, grandchildren and great grandchildren.

Summer Feeding will continue through Friday, August 11th. We are still in need of volunteers and monetary donations. Please call the church office and let Connie or Nancy McGilvray know what day you can volunteer.

REFRESHMENTS ON SUNDAYS

This new program has been well organized by the Family Life Chairperson, Gloria Smith. It is hoped that this will bring the church family together to meet in the fellowship hall after the early service and with some coming to the 11:00 service, so the church membership can have a chance to know each other.

Each month a Sunday School class will be asked for two volunteers to clean up the refreshments after church on Sunday. Also, a Sunday School class will take turns bringing refreshments. Anyone is welcome to bring refreshments. Any left-over refreshments can be used by the evening youth meetings, etc., or the person bringing them can take them home.

This is a volunteer program that has been successful in other larger churches than Moultrie First Methodist. It has been tried here for about two months and all refreshments disappear by the end of the last service and people have been very positive about having this program organized and continued. The Family Life Chairperson has had the support of the Church Hostess as well as some Sunday School classes.

Thanks to all the positive people who have been supporting this new program for our church. Methodist love to eat together.....a family that prays and eats together stays together!

What Is the Driving Force in Your Life?

How do you make decisions? What values govern your priorities? What things drive your emotions? What makes you angry or sad? What motivates you to act?

We have many forces acting in our lives. These are the sacred values or core values that move us to feel, think and act. These forces are shaped within by our disposition and by our learning and experiences.

Jesus helps us to shape these forces that motivate us. He gives us teachings that promote our thinking and acting. He helps us to formulate our values.

A good part of Christian Discipleship is not only knowing our salvation but knowing what God wants us to do in our lives. It is about learning values and being consistent about living out these values. We will talk more about this in worship.

He lives, He lives, Christ Jesus lives today!

You ask me how I know he lives?
He lives within my heart.
