Transformation from the Inside Out

Big events can shape our lives. These can be called “Mountain Top Events.” They raise our level of emotion so high as to make us feel on top of the world.

The Bible even uses mountaintops for some of these. Moses went to Sinai to receive the Ten Commandments. Jesus leads his three closet disciples, Peter, James and John, to the top of a mountain for what we now call the Transfiguration. Moses and Elijah, representing the Law and the Prophets join them.

It is a powerful and almost unspeakable event in their lives. It takes time before they understand the significance. God still is in the business of doing things so big it takes time for us to understand them. Today in worship we will wrestle with the implications.
