Summer Feeding

Our church will serve children in need of a lunch in the gap to ensure they are fed when a school lunch is not available. The School Nutrition Department will operate their Summer Feeding Program only during the month of June this summer.

Nancy McGilvray will have the daily menus and the food available to be prepared. Volunteers will simply need to come to our church kitchen and review the daily folder of instructions and prepare the child friendly lunch accordingly; serving & cleanup needed as well.

Our GAP Summer Feeding will be May 30th - June 2nd and July 3rd - Aug 11th. Please contact the church office with the day(s) of the week you are available to help.

When Graduation Time Comes Around

Graduation time is here. This week we honor those who have gone through the first part of their extensive educational process; high school. It is a time of celebration, of growth, of assessing what has taken place in our lives and of where we go from here. It is a time of change which is fascinating, filled with possibilities and hope and at the same time filled with anxiety. Anytime change happens in our lives it causes us to pause and reflect and to wonder if the future is brighter than the present. Some folks are filled with so much anxiety about the future they can only see the present and are devoid of hope for a promising future.

God called Abraham in Ur of the Chaldees and promised him a new future. God called Moses to fetch his people from the land of Egypt and to trust Him to lead them back to the land of promise. God gave us Jesus and promised us he represents the Kingdom of God. His teachings and lessons and his miracles are signs this kingdom is closer and closer.

Hope causes us to embrace a new future. Hope is real when it is grounded in one who is trustworthy and whose promises we believe will come true. God is this one. God invites us all to put our hope in Him, first of all and foremost.
