# CONFIRMATION

**2023-24**

Confirmation is an exciting journey. We call it a journey because in this life as Christians we have to actively choose to follow Christ everyday. The vows the confirmands will take before the congregation are every bit as sacred as the wedding vows they will one day make. For this reason we highly encourage our confirmands to make every session possible. There are 12 total sessions. In order to be confirmed, confirmands must attend at least 9 of the 12 sessions. The confirmation retreat is also highly recommended to celebrate the decisions being made and vows taken on March 17th. Classes will take place on the following Sundays from 2:00-3:00.
