The Pattern for Discipleship

Getting saved by the grace of God is a wonderful thing. Being transformed by the grace of God is a powerful reality that brings greater joy to our lives. Salvation is God's gift to us. Discipleship is our gift to God. Grace makes both possible.

Jesus died on the cross to save us. Most of us have great appreciation for this. We call it being justified. We are made right and righteous in the eyes of God.

Jesus taught us how to live. This life is one which we live in gratitude to a generous God who has counted us as valuable and worthy of His saving grace. As He continues to pour grace into our lives, this grace transforms us. It changes our hearts which urges us to make new and different decisions. This brings forth a transformed life. We call this a process of sanctification.

Discipleship is our calling as Christian people. It is the process of becoming the best person we can be. We will learn more today.
