In the Christian faith we have a hope that leads us forward in living a life of abundance. This hope is based on the understanding that God is with us in all that we do. Too many times Christians fail to remember that we are not alone and we are not limited in what we can accomplish. With the combination of faith of the present and hope for the future we are able to do works for God beyond our own understanding. When life gets you down and all hope seems lost rely on the truth of God's Word that tells us of the care and comfort that God can provide.
