- *Meals inside the park will average \$20-25 per meal.
- *I recommend getting a pre-paid debit card for the trip. According to their site, cash is accepted throughout the park, but pre-paid debit cards are much simpler.
- *Remember that we will be in the parks a long time Saturday, plan accordingly for snacks and drinks between meals.
- *Please watch the weather in the coming week to determine the appropriate attire. In 2022, it was VERY cold! Be prepared for the weather.
- *9th grade and older can walk around the park without an adult in groups of 4 or more.
- *8th grade or younger will be assigned an adult or college chaperone for their group.
- *No one will walk the park alone. Chaperones will establish in-person, as well as text message check in points that must be adhered to in order to allow park privileges to each youth for the weekend.
- *All youth will be included in a Life 360 group that all chaperones will also use in order to keep a location available to all members of the group during our park times. We will have each youth add the app Friday and enter a private Rock the Universe group that will be used for the weekend and can be deleted after the trip is over.
