**WHAT WAS PHARAOH'S DECREE
SHORTLY AFTER MOSES WAS BORN?**

That all baby boys should be killed.

WHO RAISED MOSES AS HER OWN CHILD?

The princess, Pharaoh's daughter.

**HOW DID GOD USE MIRIAM,
THE SISTER OF MOSES?**

Miriam bravely defied Pharaoh and saved her brother Moses by laying him in a basket.

MIRIAM

THE BRAVE TRACKER

Miriam is the Brave Tracker. God tells us that when we read His Word, pray, and focus on Him every day, we will be like a tree planted by streams of water. This type of tree has deep roots, making it very strong. This was like Miriam. She could have been tempted to stay hidden, but because she was rooted in a good relationship with God, she had the strength and courage to do what God wanted her to do. And because she was brave and did what God told her to, she was able to save not only a little baby boy, but eventually, all of God's people.

MEMORY VERSE

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law.

Galatians 5:22-23 (NIV)
