OF TRUTH

WHY DID MOSES FLEE FROM EGYPT?

He killed an Egyptian slave master and was afraid.

FROM WHAT OBJECT DID GOD SPEAK TO MOSES?

A burning bush.

WHAT MADE MOSES A GREAT LEADER?

Moses was prepared to lead Israel by having a special encounter with God.

MOSES

THE CHOSEN TRACKER

Moses was the Chosen Tracker. When Moses encountered God at the burning bush, God told Moses to remove his shoes because he was standing on holy ground. The Lord asked Moses to return to Egypt and lead the Hebrew slaves to the promised land, but Moses felt unworthy and incapable of doing what the Lord asked. He had made mistakes and had limitations, but he was still chosen by God to be a great leader. In the same way, God will use us despite our failures or insecurities, all for His glory.
